Easy-To-Use Time & Attendance System

Time Guardian PRO

Introducing

Time Guardian[®] Pro the next generation in time & attendance. Amano leverages it's vast industry experience and expertise with new technology and product innovations, to deliver the following benefits:

- Easy navigation using a tree structure no complicated menus.
- Each module contains "Quick Reference" lists for fast viewing.
- Large icons strategically placed throughout the product.
- Powerful, innovative set-up wizard guides the user through most configuration options, delivering detailed descriptions, so the user can navigate effortlessly without the need for manuals or online help.
- Editing screen allows users to fully customize its appearance with special colors and the ability to resize or hide fields as needed.
- Multiple communications options include serial, modem and Ethernet connectivity. Amano's new MTX-15 data collection terminal offers all-new function keys and key pad, delivering superior performance at an economical price.
- Time Guardian Pro integrates easily with Amano's AXP-200 and AmanoNet access control solution.
- Current Amano TruTime and TimeGuardian customers can upgrade to Time Guardian Pro without losing any punch data, while maintaining the use of existing data collection hardware.
- Utilizes full-feature SQL database
 with no licensing fees.

Time Guardian Pro also delivers the following standard time and attendance benefits:

- Automatically calculates total hours
- · Eliminates mistakes, minimizes repetitive tasks
- No time cards or their prep work
- No card collection, storage, or filing
- User-friendly design and navigation
- Interfaces with many popular payroll products
- Time tracking and attendance reporting
- Password protection
- Multi-level overtime
- Shift differential
- Individual scheduling
- Labor tracking with wages/rates
- Comprehensive rounding abilities
- Advanced meal/break rules
